School/Association	Position	Talking Points
Fernbank/Druid Hills Civic	 Keep all current Fernbank students 	 Only historic neighborhood in DeKalb County
Association	 Grow Fernbank facilities with funds from 	 The DHCA strongly believes that the BoE should seek
	SPLOST 4	to achieve its stated goal of preserving neighborhood
	Willing to concede future mixed use	continuity.
	development on Clifton Rd. with approx 450 residences to Briar Vista	 International Baccalaureate Program at Fernbank and Druid Hills, but not Briar Vista, and that it is not wise
		to rotate students in and out of this program.
Oak Grove/Leafmore	 Keep all current Oak Grove students; don't 	 Per MGT's reports on Briarlake facility - significant
	feel they are overcrowded.	programs for special needs have caused space
	 If enrollment needs to fall below 110%, 	constraints on the facility and Briarlake can't take on
	removing 43 current students whose ZIP codes	additional enrollment (Sagamore can't either).
	are outside the attendance zone will	 Students currently living in feeder system should not
	accomplish 105%	have to move to accommodate those outside the
		attendance zones
		 No clear reason exists to fracture a high performing
		cluster
		The split feeder proposal does not account for the
		critical develonmental points.
Briarlake	 Willing to accept some shifting of lines at the 	 Proposal would create additional split feeder schools
	elementary level, as long as vertical feeder	 sending less than 12% of current Briarlake students
	patterns (into Henderson/Lakeside) are	out
	retained	 Briarlake's PTA actively supports Lakeside's Valhalla
		Project and participates in the Emory LaVista Parent
		 Implementation of the proposed plans would increase
		traffic in an already congested area, creating
		dangerous routes to school
		 MGT Consultants don't understand our community
		 Instructional differences (i.e. block schedules vs. 7-
		period school day) between the schools may disrupt
		the consistency and quality of education.
		 Social and emotional disruption to students at a
